Hi,

Thanks for the RFQ. We can supply 500 units of our MPD-400 servo motor (400W) at $47.50 per unit, for a total of $23,750.00.

That price is DDP to your dock: shipping, insurance and all duties are included, with no additional charges.

We can ship within 14 days of PO. Payment is Net 30. All units carry a 36-month warranty. This quote is valid for 45 days.

Best regards,
